Swimming Pool Financing

Just 4 Steps Away!

A swimming pool loan is considered a home improvement loan and, for many borrowers, the interest is **tax deductible!** Your monthly payments are calculated using today's lowest mortgage interest rates and loan periods of up to 25 years! Best of all, through Viking Capital, you'll usually get your money in less than 2 weeks!

affordable monthly payments...ahhh

Our commitment to you...

Viking Capital is a Direct Lender, not just a Broker. As such, we approve, underwrite and process our loans in-house resulting in lower rates, faster service and higher approval rates for our borrowers. No matter what your financing needs are or what loan program you qualify for, we will give you our best effort and utmost attention to make sure your needs are met in the most economical and hassle-free way!

Please take the time to learn about our **4-STEP Loan Process**. Feel free to contact us if you have any questions. We look forward to working with you!

STEP #1: Loan Application Submission

The loan process begins when you complete and submit a loan application. We offer an easy, secure way to enter your loan application data online. Just visit www.poolloan.net and click on "Apply Online". Paper applications may be obtained from your pool contractor and faxed to (877) 945-1807. If you prefer, apply over the phone at (877) 945-1806 Ext. #2. **Loan approvals are made in one business day!**

STEP #2: Loan Selection

Viking Capital specializes in Swimming Pool loans. Based on your needs and qualifications (credit scores, employment history and other criteria), you will usually have multiple loan options available even if you have little to no equity! We will take the time to explain your options to you so that you are able to make an informed decision.

STEP #3: Loan Processing

Choosing a direct lender like Viking Capital, with in-house underwriting and processing, guarantees increased speed and flexibility throughout the loan process. In Step #3, details of your loan are clearly explained to you. The interest rate, loan costs and all loan conditions are reviewed. Once a clear title report is received, your loan documents are drawn. As a convenience, we will send a Notary to your home to expedite the signing of your loan documents.

STEP #4: Loan Funding

There is a 3-day "Right to Cancel" with all mortgage loans and your loan will fund shortly after that period is up. At funding, Viking Capital issues two-party checks made payable to both you and your pool contractor. You will receive one check for each stage of your project. You endorse them to pay your contractor as the project progresses. **It is imperative that no work begins prior to the funding of your loan.**
